WORK EXPERIENCE

Quotient / Freelance Graphic Designer

Chicago, IL - November 2020 - Present

Designed sales enablement and marketing collateral, designing presentations, sell sheets, emails, digital and print advertisements, and event materials. Created communications collateral for both the Human Resources and Investor Relations teams. Created consumer marketing materials for coupons.com such as email designs, in-app messaging, digital advertisements, CPG and retail paid web placements.

Japanese Culture Center / Volunteer Graphic Designer

Chicago, IL - November 2020 - Present

Provided graphic design work in the form of banners, social media ads, and any other design related needs on a volunteer basis.

Just Fit Justine / Freelance UX/UI Designer

Miami, FL - May 2020 - June 2020

Developed a design language for the brand. Designed the layout for the website using Figma. Created a desktop and mobile version of the site.

Rapid Displays / Industrial Designer

Chicago, IL - Feb 2019 - March 2020

Balanced multiple projects with compressed timelines for clients such as Target and Anheuser Busch. Collaborated with multidisciplinary design teams to create larger than life displays. Designed graphics for display samples that were shown to clients.

Innomark Communications / Industrial Designer

Fairfield, OH - Aug 2014 - Nov 2018

Worked on a wide variety of creative temporary displays for clients such as LensCrafters, Pepsi, and Victoria's Secret. Implemented creative solutions to the display needs of all of our clients. Brought brand equity to the forefront with Pop-up Shop displays for VS.
